

## CHRISTIAN CENTRAL ACADEMY TUITION 2012-2013

The Board of Directors of Christian Central Academy works hard to maintain tuition rates that will allow the school to function with financial integrity and bear appropriate witness before the community. At the same time, the Board endeavors to make Christian education at CCA as available as possible to the widest number of families. It is a difficult balance about which we are constantly on our knees. CCA is His school and we move forward in faith as He directs.
