## *About Quick Check*

*Choosing to use **Quick Check** will increase your enjoyment of the auction by eliminating the need to wait in a “check out line”! When you arrive at the auction registration area, you will be asked to*

- 1. Leave a blank check made out to Christian Central Academy which is signed and dated*

*OR*

- 2. You may give a **Visa, MasterCard, or American Express** to be imprinted. Both checks & imprints will be held until the conclusion of the bidding.*

***Quick Check** participants will receive a receipt for each item purchased during the evening. These receipts will allow you to bypass the cashier and go directly to the “pick-up point” to receive your items. (Note: Unless you use **Quick Check**, any credit card swipe over \$150 must be called in. This may increase your check out time!) An itemized receipt with a copy of your check or credit card will be mailed to you. Please X the appropriate space on your reservation form above if you would like to use the **Quick Check** method of payment. This will allow us to prepare our computer database for expedient processing.*
