*Sometimes I didn't like the teacher to whom my child was assigned. But I always believed that God brought into my children's lives the teachers that they needed to have their character molded properly. In all the years of their education, I never asked for a change of teacher, and it was exciting to see how each teacher played a vital role in making my child more like Christ. I find that my children can now be around all kinds of people and not be frustrated by people of different personalities.*

### "Mighty through God"

<sup>4</sup> *The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. <sup>5</sup> We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ. ~ 2 Corinthians 10:4,5*
