Christian Central Academy

2012 Varsity Baseball Program Policy

The following is an overview of the Boys Varsity Baseball program offered by Christian Central Academy. The Varsity Baseball Program focuses on hitting, pitching, defense, competitive play, and winning. The program begins in March and runs through June (with optional winter Saturday workouts starting the last weekend in January). Both the optional winter workouts and the March practices will utilize non-CCA baseball facilities and therefore will require a participation fee to cover the expenses - this fee is to be determined at a later time.

- Attendance – to participate in practice or a game after school, a player must arrive to school no later than 10:30AM and be present the rest of the day. Doctors' appointments need to be scheduled at times that will not interfere with regularly scheduled practices or games. Any absence from practice or a game must be preceded by a Parent/Coach contact prior to that date.
- Playing Time – Playing time is determined by the head coach and is earned by a player's practice and game attendance and performance. Coaches are encouraged to include all players in a game, but this is not a requirement for the Varsity level.
- Game Conduct – All coaches and players are to treat the opposing team and officials with respect. Exemplary Christian attitude and behavior are expected.
- Disciplinary Rules – If a player is late for practice or a game, disciplinary action will be determined by the coach. When a player's conduct has been called in to question, the Dean of Discipline will notify the coach to discuss consequences which could result in a game suspension. If a player has a serious offense or repeated offenses, disciplinary action will be initiated which could include being removed from the team or having decreased playing time.
- Academic Probation – Any student whose overall quarter average falls below 75% and/or is failing Bible, English, Math, History, Science, or Foreign Language is on academic probation and may be excluded from playing.
- Emmanuel Athletic Center – The gym, fitness center, and our practice field must be treated with care and respect. All posted guidelines must be observed. This is the same for any other facility or field used by the team.

A \$75.00 uniform deposit is required to receive a team jersey – make check payable to CCA. This deposit is returned when the jersey is returned (in good condition) at the end of the season. All other uniform items (hat, baseball pants, belt, socks, and spikes) must be purchased or provided by the player.

The following forms are required to be turned in before your child can participate in any practices or games – they can be downloaded from CCA's website at www.christianca.com/athletics/interscholastic_sports :

- The 2012 Varsity Baseball Permission Slip (see slip on next page)
- A 2011-2012 Health Appraisal Form (physical form signed by a physician)
- A 2011-2012 Sports Medical Release Form
- A 2011-2012 Sports Transportation Form

Please complete the 2012 Varsity Baseball Permission Slip and return it (with any accompanying forms) to the Main Office by Friday, January 27, 2012
