## **Objectives of our year-long celebration of our 60<sup>th</sup> anniversary:**

1. Attempt to find and obtain contact information on:
  - every face and name that appears in all the 38 yearbooks we have on hand,
  - all past board members and parents of students
2. Display near the main office area the names of all faculty, staff and students who were part of the school's history.
3. Display a timeline of the growth and development of the school in the main office hallway.
4. Archive valid memorabilia in a permanent collection based at the school. If you have things that are from any phase of the school, call us to discuss if this is something we could use.
5. Plan a culminating event toward the end of the school year to bring the celebration to a close and, by God's grace and provision, move forward into our next 60 years.

## **How you can help:**

1. Pray for God's guidance and wisdom for us as we move through this project.
2. Circulate the word among your networks that we are interested in finding as many students, whether or not they graduated, as possible from all eras of the school's history. Call or email us with the contact information: 634-4821, ext. 107, [dwhitecca@gmail.com](mailto:dwhitecca@gmail.com). You may also use the Contact Us function on our website to send info: [www.christianca.com](http://www.christianca.com).
3. Volunteer on the "60<sup>th</sup> Anniversary Committee" to help plan our culminating event for this celebration.  
Contact (for now): Debby White
4. Visit us often to keep us updated on what you are doing. Reflect on the impact of your experiences as a part of AMS, ACS, FCS, or CCA.

## **If possible, join us for current events and activities throughout the school year:**

See the back page for many important activities coming up in the life of the school.
