

CCA Dress Code 2011-2012

CCA is making a change in one of our suppliers of dress code items.

CCA has ended its partnership with Lands' End because they no longer offer various CCA uniform items.

As of 6/27/11, please order all of your items from *Mister Uniform, Flynn & O'Hara or Choice Uniforms.*

All logo items may be purchased from either of these two vendors.

NOTE: Any Lands' End items you already own may still be worn.

However, all new uniform orders must be made from *Mister Uniform, Flynn & O'Hara or Choice Uniforms.*

Access *Mister Uniform* at misteruniform.com. Click on register or Order Online and follow the prompts. You may order items either online, by FAX, or by phone.

The CCA school code is **1770**. Enter the age and gender to see the products and a list of all the products for that specific age and gender. The CCA web page is very new. Most of the pictures are up already and the rest of the products will be uploaded within the next few days.

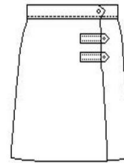

Mister Uniform has a description of each product. When you click the picture of a product, you will also see the material and the features of the garment. These photos are just a few of the items available at *Mister Uniform*. Many of the items are identical or very similar to the ones you've already purchased. Your children may continue to wear the previously purchased items from Lands' End; However, from now on please purchase your uniform items from *Mister Uniform or Flynn & O'Hara*.

The *Mister Uniform* information will be available on CCA's website.

To insure delivery in time for the start of school, all orders should be placed by August 1 with *Mister Uniform*.
