

Student Agreement

As a student in *Christian Central Academy*, I agree to accept my responsibilities:

ATTEND school regularly, be punctual and participate in school activities.

WORK diligently to meet the academic requirements and to consistently produce quality work.

To show I **CARE** by being friendly, accepting and respecting others, encouraging and trying to build them up, and by refraining from any activity that is not a good example to others.

GROW as a Christian in my response to God and His Word as a guide for Christian living, by studying the Bible, and praying; by confessing my wrongdoing; by accepting guidance and correction.

LEARN the school rules and to **RESPECT** them.

SUPPORT the school staff, the standards of conduct, and to submit to its discipline.

QUALITY EDUCATION – CHRISTIAN VALUES

When there is a situation which I find difficult to accept, I will first try to **RESOLVE** it with the person directly involved and then seek the assistance of a staff member or my parents.

DEVELOP God given talents to their fullest potential and to use them in God's service.
