

**CHRISTIAN
CENTRAL
ACADEMY**

**K - 12th Grade
College Preparatory**

Become a **Community Partner and Event Sponsor**

*Local Partnership of Community
and Education for Future Leaders of Tomorrow*

What are our values here at CCA?

Today, more than ever, our children need to be taught from a strong curriculum based on **truth, with compassion and grace.** Christian Central Academy is a Christ-centered school committed to biblically-based, foundational beliefs from which flow the ultimate rationale for all that we do. Teaching eternal truth is what sets our school apart.

**Our Faith Calls Us
To Excellence.**

It is a reality, that “excellence” requires the finest facilities, materials, staff, and curriculum. Children also deserve the best security, safety, and comfort. That too, comes at a premium. Private schools must become creative in their approach to fund raising. **At CCA we are committed to our community.** Annually, we look to local businesses and the CCA community to bridge the gap. Thank you for your help and consideration.

One Sponsorship. Three Events.

This is an opportunity to have an overarching presence at the three most high profile events on our school's calendar. Knowing that businesses and individuals are often approached multiple times throughout the year, **we combined our three events into one highly efficient, high-impact proposition**

Gala

Be a part of our biggest event for CCA.

This is our premier event which showcases donors, patrons and businesses. It is because of the support of our community partners and numerous donations from local businesses that The Gala has been consistently successful with silent and live auction themed fund raising. The Gala committee also seeks to place ads in the keepsake program booklet. These ads are included in Community Partner Sponsorships.

Grace Race

Be a part of the USATF sanctioned 5k run and 2k family-friendly walk through the beautiful village of Williamsville. This community event draws hundreds of participants from across the Buffalo/Niagara region. A portion of each year's proceeds benefit CCA's Senior Class Mission Trip, making this a win/win for all involved. This annual event models fun, fitness, faith and fellowship for our students.

Golf

Join us as we host our annual CCA golf tournament at the historic East Aurora Country Club.

Established in 1916, this member-owned club with an 18-hole championship golf course and iconic club house, located in a secluded and private setting is the perfect backdrop for fellowship and fun. WNYers often vie for an opportunity to play this exclusive course, so our tournament will surely be in demand.

For 69 years, Christian Central Academy has been training children in the way they should go. CCA is committed to providing an education where students can be productive in the world, lead with perseverance and integrity, and share the hope of Jesus Christ. We believe Christian Central Academy graduates make a significant impact in their communities through their faith, giftedness, and call to excellence.

“We’re here because we feel this is a mission. This is what we are called to do in life. We are to train, to guide and to create our product that is going to be God honoring and productive in our society.”

Mrs. Deborah Wade,
High School Division Head
