GRANDPARENTS' DAY: Grandparents' Day is a wonderful time for our PreK through fifth grade students! If you recently completed the online Enrollment Form and provided mailing information for your students' grandparent(s), CCA has taken the initiative to mail an invitation directly to them. If we do not have any grandparent information for your student, you received two invitations for you to mail directly to them yourself. These invitations were sent home in your youngest child's take home folder.

Gala: Looking for a few more parents to RISE UP! The more volunteers to procure auction items, the more items we are able to showcase at the event to reach our goal for the school. Help us reBUILD! Stay up to date by visiting the [GALA](#) website. **Ticket sales are open!** Rally 8 of your friends and reserve your own table. Sponsorship information is also online. Reach out to your place of business to see if they want to be a sponsor. Email landerson@christianca.com for any printed materials you may need.

Gala

What is the CCA Gala?

The Gala is CCA's annual dinner auction. It is THE major fundraising event of the year. Silent auctions, drawings, Live Auction, sit-down dinner and fellowship bring people together to celebrate CCA.

How do I donate an item?

The Gala gladly takes new items, certificates for services, or gift cards. As a parent/partner with CCA you can reach out to area businesses and ask for items. A great place to start are the businesses you frequent the most! Don't be shy-the worst is they say no...OR you get an awesome item we can use to raise money for the school. When you donate, it makes Christ-centered education within reach for all families. The Advancement Office is here to assist. Email landerson@christianca.com for a mock script to get you started and donation forms. All items can be dropped off at The Blue House. (Look for a Reeds Jenss discount in your Valpak!)

Domestic violence can and does happen to all types of people, in all types of relationships. Any person, regardless of race, age, religion, gender, education level or financial means can be a victim – or perpetrator – of domestic violence (Family Justice Center, 2021)."

In the United States, more than 10 million adults experience domestic violence annually (CDC, 2011).
