## Guidance Counselor Corner

**HIGH SCHOOLERS** it's time to start thinking about which courses you are interested in taking for the 2023-2024 school year. The Guidance Counselor will provide you with a course description catalog on January 17th to review *with your parents* and plan which courses you would like to take. Please review that catalog and have the courses you want to take in mind by **January 30th**.

The Guidance Counselor will meet with each student individually to plan which courses to take for the 2023-2024 school year. Please remember that you will not be promised each course selected. Course selections are contingent upon the amount of students interested, teacher availability, and the schedule for next year.

Congratulations to **Noah McFarland** and **Blanca Rodriguez** for their hard work during the HS Leadership Conference. Generation Joshua has awarded both of them a full scholarship to attend their summer iGovern program.

Any other HS students interested in attending [iGovern](#) Leadership camp this summer please contact [Sydney Reed](#) for a code for \$100 off registration.
