MOMS IN PRAYER

Every Friday in room 313, 8:30-9:30 am. Prayer requests can be emailed to tbaldi@christianca.com.

It's never too late to join in! Come when you can. All moms & grandmoms welcome.

Be a Host Family

CCA is looking for host families for international students for the 2023-2024 school year. CCA celebrates the wealth of God's creativity expressed in different cultures and languages. Hosting an international student is a great opportunity for families to show God's love and hospitality, grow in cross-cultural understanding, and build life-long relationships. Please contact the ISP Coordinator Katie Miller kmiller@christianca.com for more information!

Head Track Coach - Steve Napoli
snapoli@christianca.com

CCA has an opening for a Boys Varsity Basketball Coach for the 2023-2024 season. If you're interested in applying, please fill out an [application](#) and include your resume. Send all information to David Schopf, Athletic Director, dschopf@christianca.com

Health Office Hints

A couple of Health Office reminders for April:

We are not permitted to dispense any medications, even things like Tylenol, without both a doctor's order and written parental permission. If your child is prone to conditions requiring pain relievers etc. during the school day, your doctor may fax an order to the Health Office at (716)-634-5851. You may send a note in as your written permission, or send an email to healthoffice@christianca.com

As we slowly close out winter, illnesses are thankfully fewer. CCA continues to have episodes of viral illnesses and Strep infections in our student population. See below for Strep facts. Teachers are working to remind students to wash hands before snacks and meals, and doing an entry wash in the morning in rooms with shared toys and activities.

Strep A is a bacteria often found to infect the skin and throat. It is treated with antibiotics. Skin infections from Strep A are called Impetigo and are less serious, but still require treatment.

I want you to be aware of symptoms of Strep to seek treatment for your child and prevent serious complications.

Some common symptoms are:

- sore throat, especially painful with swallowing
- headache
- nausea or vomiting
- red spots on roof of mouth
- sandpaper-like rash or peeling of skin
- red and swollen tonsils, sometimes with patches or pus
- rash on face, trunk, arms or legs, also known as Scarlet Fever
- stomachache
- fever of 101 or higher
- swollen lymph nodes on neck

I am in the Health Office Tuesdays, Wednesdays and Thursdays if you have any questions. I hope that your family has a healthy and blessed Easter break.

EVERY CHILD MINISTRY

Show Hope's Hope for the Journey Conference is designed to equip and encourage parents and caregivers meeting the needs of children impacted by trauma & hard places including adoption and/or foster care. Bringing together teaching, resources, and practical experiences, parents and caregivers (and the churches, educators, and organizations seeking to serve these children and families) will gain a deeper understanding of these children's needs.

Featuring Special Hosts ...

Show Hope Founders
Mary Beth & Steven Curtis Chapman
